## WARRANTY AND SERVICE

Our dedication to building quality yachts is equaled only by our commitment to creating satisfied customers – a commitment backed by one of the best warranty programs in the industry. This includes not only a **Five-Year Hull and Deck Warranty**, but also a **Five-Year Osmotic Blister Protection Program**, plus a one-year warranty on all GB and third-party parts and equipment installed at the factory.

Of course, one reason we sell so many new boats to current GB owners is the high caliber of our service support. There are numerous **Grand Banks Authorized Service Centers** in the U.S., Europe, Australia and around the world, each required to undergo thorough training at our factory.
